

Routeing Guide Easements

An easement which extends permission is a positive easement. An easement which narrows permission is a negative easement. Map, double-back and fare route easements are always positive. Circuitous route easements are always negative. Other kinds of easements can be positive or negative. A journey which follows a route otherwise permitted by the Routeing Guide may be forbidden by a negative easement.

Positive Easements

Easement	Category	Description
700550	Routeing Point	To override Fare Checking in Journey Planners that restricts journeys from Bognor Regis when no fare exists (for example Bognor Regis to Amersham); this positive Routeing Point easement will allow journeys to/from Bognor Regis via Horsham to use Ford as an Origin Routeing Point. This easement applies in both directions.
700551	Local	Customers travelling from Frodsham to Winsford may travel via Chester and Crewe. This easement applies in both directions.
700552	Doubleback	This positive Doubleback easement has been published to allow customers travelling from North Wales and Chester to Scotland via Manchester and onward on First TransPennine Express (FTPE) services to travel to Manchester via Eccles. FTPE services are also routed through Eccles. This easement will allow interchange at Manchester Piccadilly and Manchester Oxford Road. This easement applies in both directions
700560	Routeing Point	Journey Planners are denying journeys from Ingatestone to March. The journeys are denied because the NFM64 fares check reveals that tickets were more expensive from Witham to March than from Ingatestone to March. As a result, journeys via Witham are denied. This positive Routeing Point easement will override the fares check and allow the journey. This easement will operate in both directions of travel.
700564	Routeing Point	This positive routeing point easement will override fares checking which is preventing journeys being offered via Staines on tickets routed (00486) AP EMR & CONNECT. This easement applies in both directions
700571	Doubleback	This Positive Doubleback easement will allow Journey Planners to show itineraries between Chester/Hooton and Sandhills (a station within the G18 Liverpool Routeing Group), where the journey from the Origin station travels through Moorfields to Liverpool Central and then doublebacks through Moorfields on the second leg of the journey to the Destination station. This easement applies in both directions.
700584	Routeing Point	This positive Routeing Point easement will override the Fare Checking rule which is preventing a Journey Planning system from finding journeys between Lockerbie and Milton Keynes Central. This easement will apply in both directions
700590	Doubleback	To allow journeys between Eaglescliff and York using tickets on fare route 00099 Not Via Darlington to Doubleback at Thornaby. This positive doubleback easement will operate in both directions.
700592	Routeing Point	To allow journeys Allens West - York on fare route 00000 'Any Permitted' to travel via Darlington; this routeing point easement will override the fares check. This easement will operate in both directions.
700593	Doubleback	Customers from Colne, Nelson, Brieffield, Burnley Central, Burnley Barracks, Rose Grove, Hapton and Huncoat travelling to or via Burnley Manchester Road may doubleback between Accrington and Rose Grove. This positive doubleback easement operates in both directions

700921	Routeing Point	Customers travelling from Poynton to Greenfield may travel via Stalybridge. This routeing point easement will overcome NFM64 fares checking which is denying travel via the destination routeing point. It applies in both directions
700925	Routeing Point	Customer travelling from Benfleet to Elephant Castle and beyond may travel via London Blackfriars. This destination routeing point easement will counteract NFM64 fares checking, and operates in both directions.
700926	Local	Customers travelling from Craigendoran to Garelochhead, Arrochar & Tarbet, Ardlui, Crianlarich or beyond Crianlarich, may travel via Dalreoch and Dumbarton Central. This local easement applies in both directions.
700927	Doubleback	Customers travelling from Craigendoran to Garelochhead or beyond may travel via Dumbarton Central. This doubleback easement applies in both directions.
700930	Routeing Point	Customers travelling from Craigendoran to destinations beyond Crianlarich, may travel via Dalreoch and Dumbarton Central. To overcome fares checking that is preventing electronic journey planners provide itineraires, this routing pont easement will apply in both directions.
700932	Local	Customers travelling from Pewsey to Bedwyn, Hungerford and Kintbury may travel via Newbury and doubleback to their destination station. This Local easement will overcome local fares checking that shows that fares to Newbury from Pewsey are higher than the fares to the required destination. And therefore preventing a doubleback journey leg from Newbury. This easement will apply in both directions.
700935	Routeing Point	Customers travelling from Moorthorpe to Thirsk on tickets priced (00397) LEEDS/YORK may travel via Wakefield. This routeing point easement applies in both directions.
700936	Fare route	Tickets to London St Pancras International, and beyond on HS1 Domestic services, priced on routes (00131) PLUS HS1 and (00324) Plus HS1 NOT UND(erground) are valid via City Thameslink and Farringdon. This fare route easement applies in both directions.
700952	Routeing Point	Customers travelling from Ockley or Holmwood (Surrey) to Rainham (Kent) may travel via Dorking (Main) This routeing point easement will overcome the fares checking rule of the Routeing Guide and will apply in both directions.
700953	Routeing Point	Customers travelling from Ockley or Holmwood (Surrey) to Rainham (Kent) may travel via Gillingham (Kent). This routeing point easement will overcome the fares checking rule of the Routeing Guide and will apply in both directions.
700955	Routeing Point	Customer travelling from Carmarthen to Aberystwyth on route (01000) ANY PERMITTED and (00498) AP TFW ONLY may travel via Llanelli. This routeing point easement, mitigates NFM64 fares checks in journey planning systems, and will operate in both directions.

Positive Easements

Easement	Category	Description
700958	Routeing Point	Customers travelling from Carmarthen to Bow Street, Borth, Machynlleth and Dovey Junction on tickets priced (01000) . ANY PERMITTED and (00498) AP TFW ONLY may travel via Llanelli. This routeing point easement will counter NFM64 fares checking , and apply in both directions.
700961	Routeing Point	Customers travelling to Birmingham New Street from Clandon or Horsley with tickets priced on route (00439) CROSS COUNTRY & CONNECTIONS, may travel via Guildford. This routeing point easement applies in both directions.
700962	Doubleback	Journeys from stations on the Great Yarmouth-Norwich line via Acle to stations on the Norwich-Lowestoft line may go via Norwich and pass through Brundall twice. This doubleback easement applies in both directions
700964	Routeing Point	Customers travelling to Kennett and Soham from or via London Liverpool Street may travel via Stowmarket. This routeing point easement will overcome NFM64 fares checking, and operate in both directions.
700969	Routeing Point	Customers travelling to Putney from Basildon, Laindon, West Horndon, Upminster, Emerson Park, Ockendon and Chafford Hundred may go via Upminster and West Ham. This routeing point easement applies in both directions
700970	Routeing Point	Customers travelling to Putney from Upminster may go via Clapham Junction. This routeing point easement applies in both directions
700972	Local	Customers travelling from Soham to Newmarket or Dullingham may travel via both Ely and Cambridge this Local easement operates in both directions
700973	Doubleback	Customers travelling from Soham to Newmarket or Dullingham may travel via Bury St Edmunds. This doubleback easement applies in both directions
700975	Routeing Point	Customers travelling from Kennett and Soham to Dullingham and Newmarket may travel via Ely and Cambridge. This routeing point easement will overcome NFM64 fares checking and apply in both directions
700976	Local	Customers travelling from Pilning to Gloucester may travel via Severn Tunnel Junction. This positive Local easement will apply in both directions
700977	Local	Customers travelling from Gloucester to Yate may do so via Cheltenham Spa. This positive Local easement will apply in both directions.
700987	Routeing Point	To overcome NFM64 Fares Checking, this routeing point easement will allow journeys from Ashtead priced on (00700) NOT VIA LONDON to Plumpton, Cooksbridge, Lewes and via Lewes to be valid via Clapham Junction and Epsom. It will apply in both directions.
700997	Local	Customers travelling from Cardenden, Lochgelly, Cowdenbeath, Dunfermline Queen Margaret, Dunfermline City and Rosyth to Kirkcaldy, Cameron Bridge, Leven, Glenrothes with Thornton, Markinch, Dalgetty Bay, Aberdour, Burntisland, Kinghorn and Ladybank may travel via Inverkeithing. This local easement applies in both directions.
700998	Routeing Point	Customers travelling from Cardenden, Lochgelly, Cowdenbeath, Dunfermline Queen Margaret, Dunfermline Town and Rosyth to or via Ladybank may travel via Inverkeithing. This routeing point easement overrides NFM64 fares checking and applies in both directions.
700999	Fare route	During engineering works on the 16 and 17 August 2022, tickets priced on (00807) VIA STROUD, (00808) READING STROUD INCLUDING LONDON, (00803) EVESHAM/STROUD, (00827) LONDON STROUD/EVESHAM, (00418) AP KEMBLE/SLOUGH and (00417 AP KEMBLE NOT LONDON will be valid via Yate, Cam & Dursley and Bristol Parkway for journeys via Swindon. This fare route easement applies in both directions
701009	Routeing Point	Customers travelling to Margate from Dalston Junction, Haggerston, Hoxton, Whitechapel, Shoreditch High Street, Shadwell, Wapping, Rotherhithe and Canada Water may travel via Highbury & Islington and St Pancras International. This routeing point easement will override NFM64 fares checking, and operates in both directions.
701010	Map	Customers travelling from Tonbridge on tickets priced on fare route (00131) PLUS HS1 to Ebbsfleet International, Stratford International and St Pancras International may travel via Ashford International. This map easement applies in both directions.
701029	Routeing Point	Customers travelling from Cardenden or Lochgelly to Kirkcaldy, may travel via Inverkeithing. This routeing point easement applies in both directions.
701037	Local	Customers travelling from Bellshill or Uddingston to Newton (Lanarkshire), Blantyre, Hamilton West, Hamilton Central, Chatelherault, Merryton, Larkhall and from Uddingston to Airbles, may interchange at Cambuslang. This Local easement will apply in both directions.
701059	Local	On Sundays customers from Kinghorn travelling to Dunfermline City may travel via Glenrothes with Thornton. This local easement applies in both directions
701085	Local	Customers travelling from Filton Abbeywood to Ashley Down or Stapleton Road may travel via Bristol Temple Meads. This local easement applies in both directions.
701093	Map	From Monday 15 to the 19 May 2023 the 22.37; 23.11 from 22 May 2023 departure from London Marylebone to Banbury is valid via Oxford. This map easement applies in both directions.

Positive Easements

Easement	Category	Description
701095	Routeing Point	Customers from Rainham (Kent) to Wandsworth Common when travelling via London Victoria may travel via Clapham Junction, on tickets priced on (0000) ANY PERMITTED or (00130) NOT VALID ON HS1. This routeing point easement applies in both directions
701097	Local	Customers travelling from Blantyre to Uddingston may travel via Motherwell. This local easement applies in both directions
701101	Doubleback	Customers travelling from Bellshill or Uddingston to Newton (Lanarkshire), Blantyre, Hamilton West, Hamilton Central, Chatelherault, Merryton, Larkhall and from Uddingston to Airbles, may interchange at Cambuslang and travel through Newton (Lanark) twice. This Doubleback easement will apply in both directions.
701114	Routeing Point	To facilitate journeys to Pilning station on Saturdays from Bristol Temple Meads, this routeing point easement will allow the journey to be valid via Newport (South Wales).
701119	Routeing Point	Customers travelling from Bagshot to London Waterloo, London Victoria, London Bridge, City Thameslink, London Blackfriars, London Cannon Street, London Charing Cross, Waterloo East and Vauxhall, on tickets priced on route (00000) ANY PERMITTED, may travel via Ash Vale. This routeing point easement overcomes NFM64 fares checking and operates in both directions
701149	Routeing Point	Customers travelling to Crosshill from Newton (Lanarkshire), Uddingston, Bellshill, Motherwell, Airbles and Blantyre, may travel via Glasgow Central. This routeing point easement applies in both directions.
701184	Routeing Point	Customers travelling from Chesterfield to Fleet on tickets priced on (00486) AP EMR & CONNECT may travel via Woking. This routing point easement applies in both directions.
701188	Routeing Point	Customers from Pewsey travelling on tickets priced on (00000) ANY PERMITTED to destinations across London via London Paddington may travel via Reading. This routeing point easement applies in both directions.
701189	Routeing Point	Customers from Elephant & Castle travelling to Blackwater cross London via London Waterloo, on tickets priced on (00000) ANY PERMITTED may travel via London Blackfriars. This routeing point easement applies in both directions
701198	Fare route	Customer travelling on the 07:00 departure from Perth to Edinburgh may travel to destinations priced on route (00237) VIA KIRKCALDY.
701200	Doubleback	Customers travelling from or via Liskeard to Saltash, St Budeaux Ferry Road, Keyham, Dockyard (Devonport), Devonport (Devon), St Budeaux Victoria Road, Bere Ferrers, Bere Alston, Calstock and Gunnislake, may travel to Plymouth and doubleback through Devonprt (Devon) station. This doubleback easement applies in both directions.
701202	Local	Customers travelling from Bolton, Westhoughton, Hindley, Ince and Wigan Wallgate to Hall Road, Blundellsands, Waterloo (Merseyside) and Seaforth & Litherland may travel via Southport. This local easement applies in both directions.
701206	Fare route	On Sundays journeys from Dalmeny to Perth priced on (00237) VIA KIRKCALDY are valid for travel via Stirling. This fare route easement applies in both directions
701209	Local	Any customer travelling from Brithdir, Tir Phil or Pontlottyn, is allowed to travel north towards Rhymney and then double back to reach stations south of Brithdir.
701211	Routeing Point	Customers from March traveling to Cosham, Hilsea or to destinations via those two locations may travel via Ely. This routeing point easement will overcome NFM64 fares checking, and will apply in both directions.
701220	Local	Customers from Cumbernauld and Greenfaulds travelling to Bellshill, may travel via Newton Lanarkshire. This local easement operates in both directions.
701221	Routeing Point	Customers from Cumbernauld and Greenfaulds travelling to Bellshill, may travel via Motherwell. This routeing point easement operates in both directions.
701222	Routeing Point	This routeing point easement, will allow customers from Cumbernauld and Greenfaulds travelling to Bellshill, to travel via Springburn, and on the return via Newton (Lanarkshire).
701236	Routeing Point	Customers travelling from Larbert to Holytown may travel via Glasgow Queen Street. This routeing point easement overrides NFM64 fares checking and works in both directions.
701249	Local	Customers travelling to Kirkstall Forge from Ilkley, Ben Rhydding, Burley in Wharfedale, Menston and Guiseley may travel via Shipley. This local easement will overcome the shortest distance rule and apply in both directions
701252	Doubleback	Customers travelling from Minster to Sandwich or via Sandwich, may travel via Ramsgate. This doubleback easement applies in both directions.
701253	Routeing Point	Customers travelling from Skegness, Havenhome, Wainfleet, Thorpe Culvert, Boston, Hubberts Bridge, Swineshead, Heckington, Sleaford, Rauceby and Ancaster to Wellingborough, may travel via Kettering. This routeing point easement will overcome NFM64 fares checks which are preventing journeys showing valid. It will apply in both directions

Positive Easements

Easement	Category	Description
701254	Map	During closure of London Paddington station on 17 November 2024 and 27-29 December 2024, some GWR services will be diverted into London Euston. This map easement will create temporary permission between Ealing Broadway and London Euston via Willesden Junction. It will apply in both directions.
701256	Routeing Point	Customers from Bedford St Johns travelling via Dorking, or Earlswood (Surrey) may travel via Bletchley. This routeing point easement overcomes NFM64 fares checking, which is preventing journeys being shown. It will apply in both directions.
701257	Routeing Point	Customers from Dore & Totley travelling on tickets priced on (00485) AP TPE ONLY to destinations via Stockport, may travel via Chinley. This routeing point easement overcomes NFM64 fares checks, that are preventing journeys being valid. It will apply in both directions
701263	Fare route	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling with tickets priced on (00816) WESTBRY SHAMPTON,(00836) VIA WESTBURY,(00837) WESTBURY & SALISBURY and (00846) YEOVIL WESTBURY may travel on rail replacement services from Trowbridge which do not call at Westbury. This fare route easement applies in both directions.
701264	Doubleback	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling to Avoncliff, Freshford and Bradford on Avon via Frome may travel on rail replacement services that call at Westbury. This doubleback easement applies in both directions.
701266	Map	During engineering works, impacting journeys from Didcot Parkway to London, on the 17 November 2024, and the 27 - 29 December 2024, travel will be valid via Oxford Parkway and High Wycombe to London Marylebone. This map easement will apply in both directions.
701267	Fare route	During engineering works on the 17 November 2024 and between 27 and 29 December 2024 tickets from Hereford, Ledbury, Colwall, Great Malvern, Malvern Link, Worcester Foregate Street, Worcester Shrub Hill, Worcestershire Parkway, priced on (00799) LONDON EVESHAM, (00803) EVESHAM/STROUD, (00805) VIA EVESHAM, for journeys to or via London, will be valid via Birmingham Moor Street for journeys via High Wycombe. This fare route easement applies in both directions
701268	Map	During engineering works on the 17 November 2024 and between 27 and 29 December 2024 tickets from Hereford, Ledbury, Colwall, Great Malvern, Malvern Link, Worcester Foregate Street, Worcester Shrub Hill, Worcestershire Parkway, priced on (00799) LONDON EVESHAM, (00803) EVESHAM/STROUD, (00805) VIA EVESHAM, for journeys to or via London, will be valid via Birmingham Moor Street for journeys via High Wycombe. This map easement applies in both directions.
701269	Local	During engineering works on 17 November 2024, and between 27 - 29 December 2024 tickets from Worcestershire Parkway, priced on (00799) LONDON EVESHAM, (00803) EVESHAM/STROUD and (00805) VIA EVESHAM for journeys to or via London, will be valid via Birmingham Moor Street for journeys via High Wycombe. This local easement applies in both directions
701270	Circuitous Route	During engineering works on the 17 November 2024 and between 27 and 29 December 2024 tickets from Hereford, Ledbury, Colwall, Great Malvern, Malvern Link, Worcester Foregate Street, Worcester Shrub Hill, Worcestershire Parkway, priced on (00799) LONDON EVESHAM, (00803) EVESHAM/STROUD, (00805) VIA EVESHAM, for journeys to or via London, will not be valid on Cross Country services via Birmingham. This circuitous route easement applies in both directions
701271	Routeing Point	Advance tickets for journeys from Chelmsford to Cambridge and Cambridge North are valid via Ipswich. This routeing point easement applies in both directions
701272	Doubleback	Customers travelling to Deansgate from Trafford Park. Or on trains that are routed via Trafford Park. May interchange at Manchester Oxford Road. This doubleback easement applies in both directions.
701274	Fare route	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling with tickets priced on (00136) VIA MELKSHAM may travel via Bath Spa. This fare route easement applies in both directions.
701275	Fare route	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling from Freshford, Avoncliff, Bradford on Avon, Trowbridge, Westbury, Dilton Marsh and Warminster to or via Reading. With tickets priced on (00063) VIA NEWBURY, may travel via Swindon. This fare route easement applies in both directions.
701279	Fare route	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling with tickets priced on routes (00618) VIA SALISBURY, (00627) SALISBURY/YEOVIL, (00836) VIA WESTBURY and (00837) WESTBURY AND SALISBURY may travel via Reading and Basingstoke. This fare route easement applies in both directions.
701281	Map	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling from Frome, Bruton and Castle Cary to or via Bristol may travel via Taunton . This map easement applies in both directions.

Positive Easements

Easement	Category	Description
701282	Routeing Point	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling from Frome to Weston Milton, Worle, Yatton, Nailsea & Backwell, Parsons Street, Bedminster, Bristol Temple Meads or via Bristol Temple Meads may travel via Castle Cary. This routeing point easement overcomes NFM64 fares checking, and applies in both directions.
701284	Fare route	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling from Frome and Bruton on tickets priced on (00058) VIA TROWBRIDGE or (00831) VIA BATH SPA may travel via Castle Cary. This fare route easement applies in both directions.
701285	Map	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling from Frome, Bruton and Castle Cary to or via Bristol may travel via Taunton. This map easement applies in both directions.
701286	Routeing Point	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling to Pewsey with tickets priced on routes (00836) VIA WESTBURY and (00837) WESTBURY AND SALISBURY may travel via Reading and Reading West. This fare route easement applies in both directions.
701292	Local	Customers travelling from Elmswell, Thurston, Bury St Edmunds and Kennett to Shippea Hill, Lakenheath, Thetford and Brandon may travel via Cambridge. This local easement applies in both directions
701293	Local	Customers travelling from Elmswell to Thetford or Brandon may travel via Stowmarket and Norwich. This local easement applies in both directions
701294	Map	On Sundays journeys from or via Inverkeithing are via Dundee. This map easement will create temporary map permissions between Ladybank and Perth via Dundee. It will apply in both directions
701296	Routeing Point	Customers travelling from Flitwick, Harlington (Beds), Leagrave, Luton, Luton Airport Parkway, Harpenden, St Albans City, Radlett, Elstree & Borewood, Mill Hill Broadway, Hendon, Brent Cross West and Cricklewood to Chiswick, Kew Bridge, Brentford, Syon Lane and Isleworth may travel via West Hampstead Thameslink. This routeing point easement overcomes NFM64 fares checks and applies in both directions.
701297	Routeing Point	Customers travelling from Dunbar to Thurso may travel via Edinburgh. This routeing point easement will overcome NFM64 fares checks, and apply in both directions.
701298	Fare route	Due to engineering work route closures between 01 and 16 February 2025. Tickets priced on (00615) VIA GOMSHALL will be valid on rail replacement buses between Guildford and Gatwick airport that do not call at Gomshall.
701301	Local	During engineering works this weekend, 14 to 15 December 2024, there are no Chiltern services to between Aylesbury and London Marylebone. Customers travelling from CHALFONT & LATIMER may travel by London Underground Services on services priced (00000) ANY PERMITTED. This local easement will apply in both directions.
701302	Fare route	Customers travelling from Eaglescliffe to Yarm on tickets priced on (00190) VIA THORNABY, may use direct trains between the two stations when timetables change on Sunday 15 December 2024. This fare route easement applies in both directions.
701303	Fare route	During engineering works closing Westbury Station from 27 December 2024 to 23 January 2025. Customers travelling from or via Castle Cary and via Basingstoke to destinations such as Southampton Central . With tickets priced on (00618) VIA SALISBURY, may travel via Reading. This fare route easement applies in both directions.
701304	Local	Customers travelling from Trowbridge to Newbury during engineering works from 27 December 2024 to 23 January 2025 with tickets priced (00000) ANY PERMITTED may travel via Bath Spa and Reading. This local easement will apply in both directions

Negative Easements

Easement	Category	Description
000040	Circuitous Route	Tickets from Martins Heron and Bracknell to Ealing Broadway routed LONDON are not valid via Reading. This applies in both directions of travel.
000044	Circuitous Route	Journeys from or via London and via Crayford and Slade Green, Slade Green and Barnehurst or Barnehurst and Crayford are not valid. This applies in both directions.
000046	Circuitous Route	Journeys from Cupar or Leuchars to Stirling or Glasgow are not permitted via Dundee. This prohibition applies in both directions.
000052	Circuitous Route	Journeys from stations south of Kings Sutton may not go via Banbury to London nor via Banbury and London to stations beyond London. This prohibition applies in both directions.
000063	Local	Journeys via Bath or Chippenham to Dean or Dunbridge may not double back from Romsey. This prohibition applies in both directions.
000072	Circuitous Route	Journeys from or via Aberdeen or Portlethen to Carrbridge, Aviemore, Kingussie, Newtonmore or Dalwhinnie on tickets route Any Permitted are only valid via Inverness. This applies in both directions.
000076	Circuitous Route	Journeys from or via Taunton to Tiverton Parkway are not permitted via Exeter. This prohibition applies in both directions.
000090	Circuitous Route	Journeys between London and Leeds may only go via Manchester when made on a ticket routed Manchester. This applies in both directions.
000098	Circuitous Route	Journeys from Winsford and Hartford to Chester may not go via Liverpool. This applies in both directions.
000103	Circuitous Route	Journeys from or via Birmingham to Stratford-upon-Avon may not go via Leamington Spa. Journeys from or via Birmingham to Leamington Spa may not go via Stratford-upon-Avon. This applies in both directions.
000104	Circuitous Route	Journeys from Bickley, Bromley South, Shortlands, Beckenham Junction, Kent House, Penge East, Sydenham Hill and West Dulwich may not go to London, Elephant and Castle, Denmark Hill, Peckham Rye, Nunhead or Loughborough Junction via Petts Wood. This applies in both directions.
030048	Circuitous Route	Journeys from Kings Cross, Peterborough, Grantham, Newark North Gate and Retford to Selby, Wressle, Howden and Eastrington may not travel via York on tickets routed via Doncaster. This easement applies in both directions.
030062	Circuitous Route	Journeys to or from Horley via Redhill may not doubleback via Gatwick Airport. This easement applies in both directions.
030181	Circuitous Route	Customers travelling from Parkstone to London Waterloo may not travel via Poole. This easement applies in both directions.
030188	Circuitous Route	Customers travelling via Southampton to Pokesdown may not travel via Bournemouth. This easement applies in both Directions.
030190	Circuitous Route	Customers travelling from London Victoria to Horley may not travel via Gatwick Airport. This easement applies in both directions.
030219	Circuitous Route	Customers travelling from London to Heysham Port may not travel via Douglas Isle of Man. This easements applies in both directions.
030221	Circuitous Route	Customers travelling from Edinburgh to Stirling may not travel via Croy. This easement applies in both directions.
030228	Circuitous Route	Journeys to Camelon or Falkirk Grahamston from/to or via Edinburgh may not go via Glasgow Queen St. This easement applies in both directions.
030230	Circuitous Route	Customers travelling from Vauxhall to Clapham Junction and beyond may not travel via London Waterloo. This circuitous route easement applies in both directions.
030234	Circuitous Route	Customers travelling from Edinburgh to Wellingborough may not travel via London St Pancras. This easement applies in both directions.
030240	Circuitous Route	Customers travelling from Hanborough to Ascott Under Wychwood and beyond may not travel via Oxford. Thius easement applies in both directions.
030242	Circuitous Route	Customers travelling from Hull, Hessle, Ferriby, Brough and Broomfleet to Moorthorpe may not travel via Doncaster. This easement applies in both directions.
030244	Circuitous Route	Customers travelling from Hull, Hessle, Ferriby, Broomfleet and Brough to Moorthorpe may not travel via Meadowhall. This easements applies in both directions.
030246	Circuitous Route	Customers travelling from Aylesford, New Hythe and Snodland to London Terminals may not travel via Ashford International. This easement applies in both directions
030264	Circuitous Route	Customers travelling from Canterbury East to London Terminals may not travel via Ashford International. This easement applies in both directions.
040002	Circuitous Route	Journeys from Ashton-U-Lyne and Mossley via Doncaster to Stevenage and Beyond may not use the SVS/SVR fare routed Any Permitted
300209	Circuitous Route	Customers travelling between Glasgow Queen Street and Edinburgh may not travel via Larbert. This easement applies in both directions

Negative Easements

Easement	Category	Description
300211	Circuitous Route	Customers travelling from Slateford and Kingsknowe to Glasgow Queen Street may not travel via Haymarket. This easement applies in both directions.
300218	Circuitous Route	Customers travelling from Portsmouth Harbour, Portsmouth and Southsea and Fratton to Bedhampton may not travel via Havant. This easement applies in both directions.
300221	Circuitous Route	Customers travelling from Chathill to Durham may not travel via Darlington. This easement applies in both directions.
300222	Circuitous Route	Customers travelling from Durham to London Kings Cross may not travel via Newcastle. This easement applies in both directions.
300326	Circuitous Route	Journeys via Ryde Hoverport must be routed HOVER TRAVEL.
300333	Circuitous Route	Customers travelling to our from Flixton via Birchwood may not doubleback via Urmston. This easement applies in both directions.
300347	Circuitous Route	Customers travelling from Hersham via Surbiton may not travel via Walton On Thames. This easement applies in both directions.
300360	Circuitous Route	Customers travelling from Swaythling to Southampton Central and beyond may not travel via Southampton Airport Parkway. This easement applies in both directions.
300362	Circuitous Route	Customers travelling to Alnmouth from the south may not travel via Berwick on Tweed. This easement applies in both directions.
300364	Circuitous Route	Customers travelling from Evesham and Pershore via Swindon may not travel via Worcester Shrub Hill. This easement applies in both directions.
300374	Circuitous Route	Customers travelling from St Denys to Southampton Central and beyond may not travel via Southampton Airport. This easement applies in both directions.
300379	Circuitous Route	Customers travelling from Bagshot to London Paddington may not travel via Reading. This easement applies in both directions.
300381	Circuitous Route	Customers travelling from Richmond to St Margarets and beyond may not travel via Twickenham. This easement applies in both directions.
300385	Circuitous Route	Customers traveling from St Germans via Plymouth may not travel via Liskeard. This easement applies in both directions.
300394	Circuitous Route	Customers travelling from Glasgow Queen Street to Camelon and Falkirk Grahamston may not travel via Polmont. This easement applies in both directions.
300396	Circuitous Route	Customers travelling from Summerston, Possilpark, Gilshochill and Ashfield to Glasgow Queen Street may not travel via Anniesland. This easement applies in both directions.
300398	Circuitous Route	Customers travelling from Woodhall via Bishopton may not travel via Port Glasgow. This easement applies in both directions.
300414	Circuitous Route	Customers travelling from Taunton to either Yatton or Nailsea & Backwell may not travel via Bristol Temple Mead. This easement applies in both directions.
300418	Circuitous Route	Customers travelling via Willesden Junction to London Terminals may not travel via Clapham Junction. This easement applies in both directions.
300437	Circuitous Route	Customers travelling Mauldeth Road, Burnage, East Didsbury, Gatley, Heald Green to Manchester Piccadilly and beyond may not travel via Manchester Airport. This easement applies in both directions.
600000	Circuitous Route	Customers travelling via Reading to London Paddington may not travel via Heathrow stations. This easement applies in both directions.
